Notes to the financial statements of Porsche Automobil Holding SE for the fiscal year 2020

Notes to the financial statements

Basis of preparation

Porsche Automobil Holding SE, Stuttgart (“Porsche SE” or the “company”), is headquartered at Porscheplatz 1 in 70435 Stuttgart, Germany. The company is registered at the Stuttgart Local Court under HRB 724512.

The separate financial statements of Porsche SE have been prepared in accordance with the German Commercial Code (HGB) and the special accounting provisions of the German Stock Corporation Act (AktG).

In order to improve the clarity of the financial statements, individual balance sheet items and income statement items have been combined and presented separately in the notes to the financial statements. The income statement has been prepared using the nature of expense method. Unless otherwise stated, all figures in the financial statements have been rounded to thousands of euro (€ thousand) according to customary business practice. Minor discrepancies may therefore arise from the addition of these amounts. The comparative prior-year figures are presented in parentheses alongside the figures for the current reporting period.

Accounting policies

Intangible assets and property, plant and equipment are stated at cost less amortization and depreciation over the useful life of the assets and less impairments.

Shares in affiliated companies and securities classified as fixed assets are stated at the lower of cost or market. Affiliated companies are those entities that Porsche SE would have to include as subsidiaries in consolidated financial statements prepared in accordance with the accounting policies of HGB. From the perspective of Porsche SE these include above all Volkswagen Aktiengesellschaft, Wolfsburg (“Volkswagen AG” or “VW”), and its subsidiaries due to the majority of voting rights held.

Receivables and other assets are valued at the lower of cost or market. Specific bad debt allowances provide for any foreseeable risks.

Cash and cash equivalents are recognized at their nominal value. Bank balances in foreign currency are recognized at the average spot rate as of the reporting date.

To determine deferred tax arising due to temporary or quasi-permanent differences between the carrying amounts of assets, liabilities, prepaid expenses and deferred income in the statutory accounts and their tax carrying amounts, or deferred taxes due to tax loss carryforwards, the resulting tax burden and relief are valued using the company-specific tax rates at the time the differences reverse; these amounts are not discounted. The amount was calculated using a tax rate of 30.5% (30.5%). Deferred tax assets mainly

result from differences between tax adjustment items for income equivalent to distributions from shares in investment funds, provisions for pensions, other provisions for personnel obligations and other provisions. There are corporate income tax and trade tax loss carryforwards which are not expected to give rise to tax relief for at least three years. Exercising the option from Sec. 274 (1) HGB, net deferred tax assets were not capitalized.

Provisions for pensions and similar obligations are recognized using the projected unit credit method in accordance with actuarial principles on the basis of the current 2018 G mortality tables from Prof. Dr. Klaus Heubeck and an interest rate of 2.30% (2.71%), a rate of increase in wages and salaries of 3.0% (3.0%), pension increases of 1.7% (1.7%) and a fluctuation rate of 3.0% (3.0%). In addition to this, career developments were taken into account at 0.5% (0.5%) for the workforce in general (0.0% (0.0%) for employees on the first management level and members of the board of management).

Other provisions are recognized at the settlement value deemed necessary based on prudent business judgment and, if they have a remaining term of more than one year, are discounted. Litigation costs relating to legal proceedings where the group is the defendant are provided for at the amount of the expected legal fees. Any obligations to pay damages or penalties are taken into account only if their occurrence is considered to be probable.

Liabilities are recorded at the settlement value.

Foreign currency receivables and liabilities with a remaining term of up to one year are recognized at the average spot rate as of the reporting date.

The amounts presented under contingent liabilities reflect the contractual scope of liability.

The full list of Porsche SE's shareholdings is presented in note [24].

In the period from 17 March 2020 to 20 April 2020, Porsche SE acquired 0.2% of the ordinary shares in Volkswagen AG for €80,929 thousand via the capital market. This increased Porsche SE's shareholding in the ordinary share capital of Volkswagen AG to 53.3% (53.1%). The share held in the subscribed capital of Volkswagen AG increased by 0.1% to 31.4% (31.3%).

As of 31 December 2020, the investment in Volkswagen AG had a market value of €26,788,661 thousand (€27,169,432 thousand). The carrying amount of the investment stands at €22,511,909 thousand (€22,430,980 thousand).

Securities classified as fixed assets of €51,736 thousand (€151,028 thousand) pertain to an alternative investment fund established on 1 April 2015 within the scope of liquidity management. The investment objective of the fund is an appropriate return on investment with a corresponding spread of risk across the securities categories of bonds, investment fund shares, derivative financial instruments and other assets. The fund shares can be redeemed daily. The market values are determined on the basis of market prices or prices reported by price agencies. The market value of the entire fund was €51,080 thousand (€152,103 thousand) on 31 December 2020.

[2] Other assets

Other assets mainly contain security deposits pledged for court costs, prepayments made as well as income tax receivables for prior years, all with a residual term of up to one year.

[3] Marketable securities

Marketable securities relate to other securities and consist of secured fixed-income money market securities with a remaining term of less than three months.

[4] Prepaid expenses

This item mainly contains prepayments for insurance premiums.

[5] Subscribed capital

Unchanged from the figure at the end of the prior year, Porsche SE's subscribed capital totals €306,250 thousand and continues to be divided into 153,125,000 ordinary shares and 153,125,000 non-voting preference shares which have been fully paid in. Each share represents a €1 notional amount of the subscribed capital. The preference shares carry an additional dividend of 0.6 cents per share in the event of there being net profit available for distribution and a corresponding resolution on a distribution.

[6] Capital reserves

The capital reserves only contain additions from premiums.

[7] Retained earnings, net profit available for distribution

Retained earnings relate exclusively to other revenue reserves.

The separate financial statements of Porsche SE as of 31 December 2020 report a net profit available for distribution of €675,894 thousand consisting of a net profit of €703,236 thousand and a transfer to retained earnings of €27,342 thousand. The board of management proposes a resolution for the distribution of a dividend of €2.204 per ordinary share and €2.210 per preference share, i.e., a total distribution of €675,894 thousand. For the fiscal year 2019, the dividend was also €2.204 per ordinary share and €2.210 per preference share.

Of the net profit available for distribution in the prior year amounting to €951,519 thousand, an amount of €675,894 thousand was distributed to the holders of ordinary and preference shares in Porsche SE based on the resolution adopted by the annual general meeting on 2 October 2020. The remaining €275,625 thousand was transferred to retained earnings.

The valuation of pension obligations using an average market interest rate from the past ten fiscal years results in a restricted amount for distribution pursuant to Sec. 253 (6) HGB of €4,869 thousand (€4,389 thousand). This is counterbalanced by freely available retained earnings of €17,276,356 thousand (€16,973,389 thousand). There is thus no restriction on the net profit available for distribution of €675,894 thousand.

[8] Provisions

The provisions for pensions and similar obligations relate to retirement benefits for employees of Porsche SE. The pension obligations are covered in full by provisions. Provisions for pension obligations with a term of more than one year were discounted using the average market interest rate corresponding to a residual term of 15 years, derived from the past ten reporting periods. There is a difference of €4,869 thousand (€4,389 thousand) between the amount recognized for provisions based on the average market interest rate for the past ten reporting periods and the amount recognized for provisions based on the average market interest rate from the past seven reporting periods; this amount is subject to a restriction on distribution.

A tax field audit is currently being performed for the assessment periods 2009 to 2013. Provisions for taxes and interest due to the tax authorities were recognized in the fiscal year 2020 based on the information available when these financial statements were issued for publication. New findings of the tax field audit for the assessment periods 2009 to 2013 could result in an increase or decrease in these provisions and interest or any refunds already received could be partially paid back.

During the assessment periods 2006 to 2009, Porsche SE was initially the legal successor of Dr. Ing. h.c. F. Porsche AG, Stuttgart (“Porsche AG”) and later the ultimate tax parent and thus liable for tax payments. In the course of the contribution of the business operations in the fiscal year 2012, the tax obligations of Porsche SE and its subsidiaries for the period to until 31 July 2009 were not transferred to Volkswagen AG. Any offsetting tax relief at a later stage at the level of Porsche Holding Stuttgart GmbH, Stuttgart, Porsche AG or the subsidiaries concerned in the Porsche AG Group cannot be recognized at the level of Porsche SE. These incur instead at the level of the Volkswagen Group. In connection with the business contribution, Volkswagen AG agreed in principle to refund to Porsche SE tax benefits – for example in the form of a refund, tax reduction or tax saving, a reversal of tax liabilities or provisions or an increase in tax losses – of Porsche Holding Stuttgart GmbH, Porsche AG and its legal predecessors and subsidiaries which pertain to assessment periods up until 31 July 2009. In return, under certain circumstances Porsche SE holds Porsche Holding Stuttgart GmbH, Porsche AG and their legal predecessors harmless from tax disadvantages that exceed the obligations from periods up until and including 31 July 2009 recognized at the level of these entities. If the total tax benefits exceed the total tax disadvantages, Porsche SE has a claim against Volkswagen AG to payment of the amount by which the tax benefits exceed the tax

disadvantages. The amount of tax benefits and tax disadvantages to be taken into account is regulated in the contribution agreement. The risks arising at the level of Porsche SE, for which provisions were recognized in prior years and payments were made, will in some cases lead to tax benefits in the Volkswagen Group that are expected to partly compensate the tax risks of Porsche SE. However, the provisions in the contribution agreement do not cover all matters and thus not all tax risks of Porsche SE from the tax field audits for the assessment periods 2006 to 2009. It will therefore not be possible to reliably determine any potential reimbursement claim until the tax field audit has been completed for the assessment period 2009, and accordingly no claims were recognized as assets in the financial statements.

Other provisions largely relate to litigation costs, personnel and welfare obligations as well as costs for the annual general meeting and the separate financial statements. Other provisions also contain amounts due to affiliated companies as a result of the assumption of obligations related to tax issues. Adequate provision was made for all recognizable risks.

[9] Liabilities

Liabilities to affiliates contain current liabilities from loan relationships of €108,508 thousand.

Other liabilities mainly comprise liabilities from unredeemed dividend coupons as well as liabilities from other taxes of €213 thousand (€190 thousand).

Porsche SE has at its disposal a credit facility with a volume of €1,000,000 thousand and a term until July 2025. If the credit facility is drawn, Volkswagen AG ordinary shares worth 150% of the amount drawn must be provided as collateral. No financial covenants have been agreed.

[10] Revenue

The revenue disclosed largely stems from income from the rendering of intragroup services for PTV AG.

[16] Income tax

As in the prior year, this item mainly comprises income from income tax refunds for prior years.

[17] Other taxes

As in the prior year, other taxes mainly include income from the reversal of provisions for other taxes.

[18] Other financial obligations

As of the reporting date, there are other financial obligations resulting from rental, lease, consulting and insurance agreements of €2,223 thousand (€1,565 thousand) to affiliated companies as well as from insurance and other service agreements to third parties of €2,468 thousand (€1,687 thousand).

[19] Contingent liabilities

The following agreements were entered into by Porsche SE, Volkswagen AG and entities of the Porsche Holding Stuttgart GmbH Group in connection with the contribution and the basic agreement prior to that as well as the associated agreements implementing it, which continued to be valid:

- Under the contribution agreement, Porsche SE in certain circumstances holds Porsche Holding Stuttgart GmbH, Porsche AG and their legal predecessors harmless from tax disadvantages that exceed the obligations from periods up until and including 31 July 2009 recognized at the level of these entities. In turn Volkswagen AG has generally undertaken to transfer any tax advantages of Porsche Holding Stuttgart GmbH, Porsche AG or their legal predecessors and subsidiaries for assessment periods up until and including 31 July 2009 to Porsche SE (reference is made to note [8]).
- Porsche SE under certain circumstances holds its subsidiaries transferred under the contribution agreement, Porsche Holding Stuttgart GmbH and Porsche AG and its subsidiaries, harmless from certain obligations towards Porsche SE pertaining to the period up to and including 31 December 2011 and that go beyond the obligations recognized for these entities for this period.
- In addition, Porsche SE holds Volkswagen AG, Porsche Holding Stuttgart GmbH, Porsche AG and their subsidiaries harmless from half of the amount of the tax (with the exception of income tax) arising at their respective levels in connection with the contribution and that would not have been incurred had the call options been exercised for the shares in Porsche Holding Stuttgart GmbH remaining at Porsche SE prior to the contribution. Accordingly, Volkswagen AG holds Porsche SE harmless for half the amount of such tax incurred there. In addition, Porsche Holding Stuttgart GmbH will be held harmless for half of the amount of the real estate transfer tax and other costs triggered as a result of the merger.

- It was also agreed to allocate based on causation any subsequent VAT receivables and/or VAT liabilities from transactions up to 31 December 2009 between Porsche SE and Porsche AG.
- Various information, conduct and cooperation duties were agreed in the contribution agreement between Porsche SE and the Volkswagen Group.
- Within the scope of the basic agreement on the creation of an integrated automotive group (“basic agreement”), Porsche SE and Volkswagen AG had granted each other put and call options relating to the 50.1% share in Porsche Holding Stuttgart GmbH remaining at Porsche SE prior to the contribution of its holding business operations to Volkswagen AG. Both Volkswagen AG (in the event that it exercises its call options) as well as Porsche SE (in the event that it exercises its put options) had agreed to bear any tax expenses arising from exercising the options and from any downstream measures with respect to the investments in Porsche Holding Stuttgart GmbH (e.g., from back taxes on the 2007 and/or 2009 spin-off). If Volkswagen AG, Porsche Holding Stuttgart GmbH, Porsche AG or their respective subsidiaries had enjoyed tax benefits as a result of subsequent taxation of the 2007 and/or 2009 spin-off, the purchase price payable by Volkswagen AG for the transfer of the remaining 50.1% share in Porsche Holding Stuttgart GmbH would have increased by the present value of the tax benefits if Porsche SE had exercised its put options. This rule was taken over in the course of the contribution agreement to the extent that Porsche SE has a payment claim against Volkswagen AG equivalent to the present value of the recoverable tax benefits as a result of back tax payments on the 2007 spin-off owing to the contribution. In connection with the contribution it was also agreed that Porsche SE would release Volkswagen AG, Porsche Holding Stuttgart GmbH and its subsidiaries from any tax liability with respect to subsequent taxation in 2012 resulting from any action or omission by Porsche SE upon or subsequent to the execution of the contribution. Also in that event, Porsche SE has a payment claim against Volkswagen AG in the amount of the present value of the recoverable tax benefits resulting from such a transaction at the level of Volkswagen AG or one of its subsidiaries.
- Volkswagen AG has agreed to hold Porsche SE harmless for internal purposes from any claims of the German Deposit Protection Fund after Porsche SE issued a hold harmless declaration to the deposit guarantee fund agency as required by the Association of German Banks in August 2009. In addition, Volkswagen AG has undertaken to hold the Deposit Protection Fund harmless from any losses incurred as a result of its actions in favor of a majority-owned bank.

All of the liability risks described above relate in their entirety to affiliated companies.

Liabilities have been recognized for some of the tax matters relating to the basic agreement and the associated implementation agreements.

The remaining risk of claims arising from the potential obligations that go beyond the provisions described in this note is considered low since there is no indication, either based on past experience or as of the reporting date, that claims may be made.

Litigation:**Legal proceedings and legal risks in connection with the expansion of the investment in Volkswagen AG**

A model case according to the Capital Markets Model Case Act (KapMuG) against Porsche SE initiated by an order of reference of the Regional Court of Hanover dated 13 April 2016 is pending with the Higher Regional Court of Celle. Subject of those actions are alleged damage claims based on alleged market manipulation and alleged inaccurate information in connection with Porsche SE's expansion of the investment in Volkswagen AG. In part these claims are also based on alleged violations of antitrust regulations. In the six initial proceedings suspended with reference to the model case a total of 40 plaintiffs assert alleged claims for damages of about €5.4 billion (plus interest). Since the beginning of the model case several hearings have already been held before the Higher Regional Court of Celle, in which the court, *inter alia*, explained its preliminary view on the state of affairs and of the dispute. The next dates for hearings are scheduled to begin on 21 April 2021. Porsche SE is of the opinion that the claims asserted in the suspended initial proceedings are without merit and that the requested establishment objectives in the model case will be rejected. Porsche SE considers its opinion endorsed by the previous development of the oral hearing before the Higher Regional Court of Celle.

In a proceeding pending before the Regional Court of Frankfurt against an incumbent and a former, meanwhile deceased, member of the supervisory board of Porsche SE, Porsche SE joined as intervener in support of the defendants. In this proceeding the same alleged claims are asserted that are already subject of a currently suspended action concerning alleged damages of about €1.81 billion (plus interest) pending against Porsche SE before the Regional Court of Hanover. No new developments occurred in this proceeding during the reporting period. Porsche SE considers these claims to be without merit.

Since 2012, Porsche SE and two companies of an investment fund have been in dispute over the existence of alleged claims in the amount of about US\$195 million and have filed lawsuits in Germany and England respectively. On 6 March 2013, the English proceedings were suspended at the request of both parties until a final decision had been reached in the proceedings commenced in the Regional Court of Stuttgart concerning the question of which court is the court first seized. A final decision on this issue continues to be outstanding. Currently, the proceedings are pending before the Higher Regional Court of Stuttgart. Porsche SE considers the action filed in England to be inadmissible and the asserted claims to be without merit.

Legal proceedings and legal risks in connection with the diesel issue and shareholder proceedings

In connection with the diesel issue, legal proceedings with a total volume of approximately €1.1 billion (plus interest) are pending against Porsche SE before the Regional Court of Stuttgart, the Higher Regional Court of Stuttgart and the Regional Court of Braunschweig. The plaintiffs accuse Porsche SE of alleged nonfeasance of capital market information or alleged incorrect capital market information in connection with

the diesel issue. Some of these proceedings are directed against both Porsche SE and Volkswagen AG. Porsche SE considers the actions to be inadmissible in part, but in any case to be without merit.

Before the Regional Court of Stuttgart 199 actions are currently pending at first instance. After withdrawal of a few lawsuits, the actions concern payment of damages, if quantified, in the total amount of approximately €914.4 million (plus interest) and in part establishment of liability for damages. In the majority of the proceedings pending before the Regional Court of Stuttgart, the plaintiff side had filed motions for recusal. To the extent that decisions have been made so far on these motions for recusal, they have been dismissed. The remaining motions for recusal have become inadmissible because of a change in the composition of the chamber. 30 claims for damages against Porsche SE, with a claim volume (according to the current assessment of the partially unclear head of claims) of approximately €9 million (plus interest), are pending before the Regional Court of Braunschweig. A number of the proceedings pending before the Regional Court of Stuttgart and the Regional Court of Braunschweig are currently suspended with reference to the KapMuG proceedings pending before the Higher Regional Court of Stuttgart and the Higher Regional Court of Braunschweig. Porsche SE considers the actions filed against it before the Regional Court of Stuttgart to be without merit. The actions filed against Porsche SE before the Regional Court of Braunschweig are considered by Porsche SE to be inadmissible and to be without merit.

In addition, two further proceedings, in which a total of further approximately €164 million (plus interest) in damages was claimed, are pending before the Higher Regional Court of Stuttgart on appeal. The Regional Court of Stuttgart granted these actions in the amount of approximately €47 million (plus interest) and otherwise dismissed the actions on 24 October 2018. Porsche SE and the respective plaintiffs filed appeals. The appeal proceedings had been suspended with reference to the KapMuG proceedings pending before the Higher Regional Court of Stuttgart and the Higher Regional Court of Braunschweig. The orders to suspend the proceedings by the Higher Regional Court of Stuttgart were appealed by the respective plaintiffs on points of law. In one proceeding, the appeal on points of law against the order to suspend the proceeding has meanwhile been withdrawn. In the other proceeding, the Federal Court of Justice, by court order dated 16 June 2020, set aside the order to suspend the proceeding by the Higher Regional Court of Stuttgart and ordered that the proceeding be resumed. Porsche SE considers these actions filed against it before the Regional Court of Stuttgart to be without merit.

A KapMuG proceeding, initiated by order for reference of the Regional Court of Stuttgart of 28 February 2017, is pending before the Higher Regional Court of Stuttgart. The Higher Regional Court of Stuttgart decided by court order dated 27 March 2019 that the model case proceeding is inadmissible. Against this decision an appeal on points of law was filed with the Federal Court of Justice. By court order dated 16 June 2020, the Federal Court of Justice set aside the court order of the Higher Regional Court of Stuttgart and referred the case back to the Higher Regional Court of Stuttgart. On 22 October 2020, the Higher Regional Court of Stuttgart appointed a model case plaintiff.

Following corresponding orders to suspend the proceedings by the Regional Court of Braunschweig and the courts of Stuttgart, Porsche SE became a further model case defendant in the model case proceedings before the Higher Regional Court of Braunschweig. Several oral hearings have taken place before the Higher Regional Court of Braunschweig. The next oral hearing is set to take place on 19 April 2021. With regard to the partial model case ruling of the Higher Regional Court of Braunschweig regarding questions of

jurisdiction, an appeal on points of law was filed with the Federal Court of Justice. By court order dated 21 July 2020, the Federal Court of Justice dismissed the appeal on points of law.

During the reporting period, no significant new developments have occurred with regard to claims asserted out of court and not yet brought to court against Porsche SE with a total amount of approximately €63 million and in some cases without defined amounts as well as with regard to the waiver of the statute of limitations defense granted by Porsche SE to the United States of America for alleged claims for damages in relation to the alleged acquisition of in total 40,992 Porsche SE preference shares.

The investigation proceedings on suspicion of market manipulation against Matthias Müller, Hans Dieter Pötsch and Prof. Dr. Martin Winterkorn, have meanwhile been terminated. After a thorough examination and consideration, the Porsche SE supervisory board has argued that Porsche SE will assume a fine imposed in this regard on Hans Dieter Pötsch amounting to €1.5 million. The regulatory fining proceedings against Porsche SE pursuant to Sec. 30, 130 Regulatory Offences Act (OWiG) continue to be pending. Porsche SE considers the allegation made to be without merit.

In the shareholder proceedings, the so-called status proceeding in accordance with Sec. 98 German Stock Corporation Act (AktG) was closed due to the withdrawal of all motions. Also closed is the proceeding for annulment regarding the resolutions of the annual general meeting on 29 June 2016 on the exoneration of the board of management and the supervisory board for the fiscal year 2015. The appeal against the refusal of leave to appeal on points of law filed by Porsche SE has been rejected.

On 26 January 2021, the boards of management of MAN SE and MAN Truck & Bus SE and the employee representatives signed an agreement covering the key points of a comprehensive realignment of MAN Truck & Bus SE. The agreement reached concerns the restructuring of all areas of the MAN Truck & Bus business. The planned measures include a restructuring of the development and production network with a strong focus on future technologies as well as around 3,500 job cuts in Germany by the end of 2022 across all business divisions. In total, the restructuring measures (including the measures in connection with the production network, which are still to be resolved) are currently expected to cost an amount in the high triple-digit millions spread over the entire restructuring period. The vast majority of the expenses will be for personnel measures.

The shareholders of the US truck manufacturer Navistar approved the takeover by TRATON at their annual general meeting on 2 March 2021. Under this agreement, TRATON will acquire all outstanding shares in Navistar not already owned by TRATON in return for cash payment at a price of US\$44.50 per share (total: approximately US\$3.7 billion). The transaction is still subject to regulatory approval. Navistar continues to assume that the takeover will be completed mid-2021.

Independent auditor's report

On completion of our audit, we issued an unqualified auditor's report dated 10 March 2021 in German language. The following text is a translation of this auditor's report. The German text is authoritative:

To Porsche Automobil Holding SE, Stuttgart

Report on the Audit of the Annual Financial Statements and of the Management Report

Audit Opinions

We have audited the annual financial statements of Porsche Automobil Holding SE, Stuttgart, which comprise the balance sheet as at 31 December 2020, and the statement of profit and loss for the financial year from 1 January to 31 December 2020 and notes to the financial statements, including the presentation of the recognition and measurement policies. In addition, we have audited the management report of Porsche Automobil Holding SE, which is combined with the group management report, for the financial year from 1 January to 31 December 2020. In accordance with the German legal requirements, we have not audited the content of those parts of the management report listed in the "Other Information" section of our auditor's report.

In our opinion, on the basis of the knowledge obtained in the audit,

- the accompanying annual financial statements comply, in all material respects, with the requirements of German commercial law and give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2020 and of its financial performance for the financial year from 1 January to 31 December 2020 in compliance with German Legally Required Accounting Principles, and
- the accompanying management report as a whole provides an appropriate view of the Company's position. In all material respects, this management report is consistent with the annual financial statements, complies with German legal requirements and appropriately presents the opportunities and risks of future development. Our audit opinion on the management report does not cover the content of those parts of the management report listed in the "Other Information" section of our auditor's report.

Pursuant to § [Article] 322 Abs. [paragraph] 3 Satz [sentence] 1 HGB [Handelsgesetzbuch: German Commercial Code], we declare that our audit has not led to any reservations relating to the legal compliance of the annual financial statements and of the management report.

Basis for the Audit Opinions

We conducted our audit of the annual financial statements and of the management report in accordance with § 317 HGB and the EU Audit Regulation (No. 537/2014, referred to subsequently as “EU Audit Regulation”) in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements and principles are further described in the “Auditor’s Responsibilities for the Audit of the Annual Financial Statements and of the Management Report” section of our auditor’s report. We are independent of the Company in accordance with the requirements of European law and German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements. In addition, in accordance with Article 10 (2) point (f) of the EU Audit Regulation, we declare that we have not provided non-audit services prohibited under Article 5 (1) of the EU Audit Regulation. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions on the annual financial statements and on the management report.

Key Audit Matters in the Audit of the Annual Financial Statements

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the annual financial statements for the financial year from 1 January to 31 December 2020. These matters were addressed in the context of our audit of the annual financial statements as a whole, and in forming our audit opinion thereon; we do not provide a separate audit opinion on these matters.

In our view, the matters of most significance in our audit were as follows:

- ① Measurement of the investment in Volkswagen AG (including effects of the diesel issue)
- ② Assessment of legal risk and their presentation in the annual financial statements

Our presentation of these key audit matters has been structured in each case as follows:

- ① Matter and issue
- ② Audit approach and findings
- ③ Reference to further information

Hereinafter we present the key audit matters:

① Measurement of the investment in Volkswagen AG (including effects of the diesel issue)

- ① In the annual financial statements of the Company, the investment in Volkswagen AG is reported under the balance sheet line item "Financial assets" at an amount of €22,512 million (96% of total assets).

The investment in Volkswagen AG is the major asset of Porsche SE.

The diesel issue in the Volkswagen Group that became known in September 2015 has an impact for Porsche SE via the effects recognized in the Volkswagen Group's business plan and thus on the recoverability of the investment in Volkswagen AG.

The provisions recognized in the consolidated financial statements of Volkswagen AG as at 31 December 2020 for risks relating to the diesel issue are based on the knowledge of the executive directors of Volkswagen AG as presented. The provisions recognized in the Volkswagen Group for the diesel issue as well as the contingent liabilities disclosed and the other latent legal risks are in part subject to substantial estimation and judgment risks by the executive directors of Volkswagen AG given that the fact finding efforts have not yet been concluded, the complexity of the individual relevant factors and the ongoing coordination with the authorities.

Any lasting decreases in the profit stemming from the Covid-19 pandemic as well as a further unexpected increase in the cost of mitigating the diesel issue might lead to an impairment in the value of the investment in Volkswagen AG.

The assessment of the executive directors of Porsche SE regarding the recoverability of the investment in Volkswagen AG is subject to high estimation and judgment uncertainties with regard to the key measurement parameters underlying the determination of the fair values as well as the assumptions made in the business plan. Against this background, this matter was of particular significance during our audit.

- ② As part of our audit, for the evaluation of the assessment of the recoverability of the carrying amount of the investment in Volkswagen AG made by the executive directors of Porsche SE, we initially examined the underlying process and its suitability for assessing the recoverability of the investment. We included our valuation specialists in the audit to assess the valuation model and the valuation parameters used in terms of calculation and method used. We also assessed the business plan approved by the board of management and supervisory board of Volkswagen AG and compared key planning assumptions with external analysts' estimates. In this context, we have also evaluated the effects of the Covid-19 pandemic on the business plan. We also compared the business forecasts prepared in previous periods with the actual results in order to analyze the accuracy of the forecasts. We also assessed the determination of the risk-adjusted capitalization interest rate by analyzing the peer group, comparing market data with external evidence and examining the mathematical

accuracy. In order to estimate any impairment risk associated with a reasonably possible change in one of the significant assumptions, we assessed the Company's sensitivity analyses.

In our view, the assessments made by the executive directors are sufficiently documented and substantiated and represent an appropriate basis for the measurement of the investment in Volkswagen AG taking into account the information available.

- ③ The accounting and measurement policies applied for the investment in Volkswagen AG are included in the notes to the financial statements in the section "Accounting policies" and in the management report in the sections "Significant events and developments at the Porsche SE Group" and "Opportunities and risks at the Porsche SE Group".

② Assessment of legal risk and their presentation in the annual financial statements

- ① As an investment management holding Company, Porsche SE primarily holds the investment in Volkswagen AG. In connection with the expansion of the investment in Volkswagen AG and the diesel issue at Volkswagen AG that became known in September 2015, the Company is exposed to legal risks in the form of lawsuit filed directly against Porsche SE, which may lead to significant expenses and cash outflows for the Company in the event of a negative outcome of the litigation.

The assessment of the likelihood of these legal risks occurring at the level of Porsche SE is subject to estimation and judgment uncertainties to a high degree.

Against this background, the assessment of these legal risks and their presentation in the annual financial statements was of particular significance during our audit.

- ② In evaluating the assessment of the legal risks carried out by the executive directors, we first obtained an understanding of the process in order to identify which controls the Company's executive directors have implemented to recognize and assess risks at an early stage.

In order to evaluate the assessment of the likelihood of legal risks occurring carried out by the executive directors of Porsche SE, we discussed the risks and the pending proceedings, taking into account the current developments in the reporting period, through discussions with the legal department, the member of the executive board responsible for legal affairs and compliance as well as representative of the law firms overseeing the proceedings. In this context, we involved legal experts in our audit and also obtained external letters of confirmation from attorneys. Furthermore, we assessed the Company's explanations in the notes to the financial statements.

We were able to follow the executive directors' assessment of the legal risks and consider their presentation in the annual financial statements to be appropriate.

- (3) The assessment of the legal risks by the executive directors is included in the notes to the financial statements in the sections "Accounting policies" and "[19] Contingent liabilities" and in the management report in the sections "Significant events and developments at the Porsche SE Group" and "Opportunities and risks at Porsche SE Group".

Other Information

The executive directors are responsible for the other information. The other information comprises the following non-audited parts of the management report:

- the statement on corporate governance pursuant to § 289f HGB and § 315d HGB included in section "Publication of the declaration of compliance" of the management report
- the separate non-financial group report pursuant to § 315b Abs. 3 HGB

Our audit opinions on the annual financial statements and on the management report do not cover the other information, and consequently we do not express an audit opinion or any other form of assurance conclusion thereon.

In connection with our audit, our responsibility is to read the other information and, in so doing, to consider whether the other information

- is materially inconsistent with the annual financial statements, with the management report or our knowledge obtained in the audit, or
- otherwise appears to be materially misstated.

Responsibilities of the Executive Directors and the Supervisory Board for the Annual Financial Statements and the Management Report

The executive directors are responsible for the preparation of the annual financial statements that comply, in all material respects, with the requirements of German commercial law, and that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles. In addition, the executive directors are responsible for such internal control as they, in accordance with German Legally Required Accounting Principles, have determined necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the executive directors are responsible for assessing the Company's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting, provided no actual or legal circumstances conflict therewith.

Furthermore, the executive directors are responsible for the preparation of the management report that as a whole provides an appropriate view of the Company's position and is, in all material respects, consistent with the annual financial statements, complies with German legal requirements, and appropriately presents the opportunities and risks of future development. In addition, the executive directors are responsible for such arrangements and measures (systems) as they have considered necessary to enable the preparation of a management report that is in accordance with the applicable German legal requirements, and to be able to provide sufficient appropriate evidence for the assertions in the management report.

The supervisory board is responsible for overseeing the Company's financial reporting process for the preparation of the annual financial statements and of the management report.

Auditor's Responsibilities for the Audit of the Annual Financial Statements and of the Management Report

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and whether the management report as a whole provides an appropriate view of the Company's position and, in all material respects, is consistent with the annual financial statements and the knowledge obtained in the audit, complies with the German legal requirements and appropriately presents the opportunities and risks of future development, as well as to issue an auditor's report that includes our audit opinions on the annual financial statements and on the management report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with § 317 HGB and the EU Audit Regulation and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements and this management report.

We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements and of the management report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our audit opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal control relevant to the audit of the annual financial statements and of arrangements and measures (systems) relevant to the audit of the management report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an audit opinion on the effectiveness of these systems of the Company.
- Evaluate the appropriateness of accounting policies used by the executive directors and the reasonableness of estimates made by the executive directors and related disclosures.
- Conclude on the appropriateness of the executive directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the annual financial statements and in the management report or, if such disclosures are inadequate, to modify our respective audit opinions. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to be able to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements present the underlying transactions and events in a manner that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles.
- Evaluate the consistency of the management report with the annual financial statements, its conformity with German law, and the view of the Company's position it provides.
- Perform audit procedures on the prospective information presented by the executive directors in the management report. On the basis of sufficient appropriate audit evidence we evaluate, in particular, the significant assumptions used by the executive directors as a basis for the prospective information, and evaluate the proper derivation of the prospective information from these assumptions. We do not express a separate audit opinion on the prospective information and on the assumptions used as a basis. There is a substantial unavoidable risk that future events will differ materially from the prospective information.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant independence requirements, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, the related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the annual financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

In accordance with German legal requirements, this assurance engagement only extends to the conversion of the information contained in the annual financial statements and the management report into the ESEF format and therefore relates neither to the information contained within this reproduction nor to any other information contained in the above-mentioned electronic file.

In our opinion, the reproduction of the annual financial statements and the management report contained in the above-mentioned attached electronic file and prepared for publication purposes complies in all material respects with the requirements of § 328 Abs. 1 HGB for the electronic reporting format. We do not express any opinion on the information contained in this reproduction nor on any other information contained in the above-mentioned electronic file beyond this reasonable assurance conclusion and our audit opinion on the accompanying annual financial statements and the accompanying management report for the financial year from 1 January to 31 December 2020 contained in the "Report on the Audit of the Annual Financial Statements and on the Management Report" above.

Basis for the Reasonable Assurance Conclusion

We conducted our assurance engagement on the reproduction of the annual financial statements and the management report contained in the above mentioned attached electronic file in accordance with § 317 Abs. 3b HGB and the Exposure Draft of IDW Assurance Standard: Assurance in Accordance with § 317 Abs. 3b HGB on the Electronic Reproduction of Financial Statements and Management Reports Prepared for Publication Purposes (ED IDW AsS 410) and the International Standard on Assurance Engagements 3000 (Revised). Accordingly, our responsibilities are further described below in the "Auditor's Responsibilities for the Assurance Engagement on the ESEF Documents" section. In addition, the executive directors of the Company are responsible for such internal control as they have considered necessary to enable the preparation of ESEF documents that are free from material non-compliance with the requirements of § 328 Abs. 1 HGB for the electronic reporting format, whether due to fraud or error.

The executive directors of the Company are also responsible for the submission of the ESEF documents together with the auditor's report and the attached audited annual financial statements and audited management report as well as other documents to be published to the operator of the German Federal Gazette [Bundesanzeiger].

The supervisory board is responsible for overseeing the preparation of the ESEF-documents as part of the financial reporting process.

Auditor's Responsibilities for the Assurance Engagement on the ESEF Documents

Our objective is to obtain reasonable assurance about whether the ESEF documents are free from material non-compliance with the requirements of § 328 Abs. 1 HGB, whether due to fraud or error. We exercise professional judgment and maintain professional skepticism throughout the assurance engagement. We also:

- Identify and assess the risks of material non-compliance with the requirements of § 328 Abs. 1 HGB, whether due to fraud or error, design and perform assurance procedures responsive to those risks, and obtain assurance evidence that is sufficient and appropriate to provide a basis for our assurance conclusion.

- Obtain an understanding of internal control relevant to the assurance engagement on the ESEF documents in order to design assurance procedures that are appropriate in the circumstances, but not for the purpose of expressing an assurance conclusion on the effectiveness of these controls.
- Evaluate the technical validity of the ESEF documents, i.e., whether the electronic file containing the ESEF documents meets the requirements of the Delegated Regulation (EU) 2019/815 in the version applicable as at the balance sheet date on the technical specification for this electronic file.
- Evaluate whether the ESEF documents enables a XHTML reproduction with content equivalent to the audited annual financial statements and to the audited management report.
